Attendance and Truancy

We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school and is related to the following legislation:

We believe this policy relates to the following legislation:

- Children Act 1989
- Education Act 1996
- Crime and Disorder Act 1998
- Data Protection Act 1998
- Criminal Justice and Courts Services Act 2000
- Education (School Attendance Targets) (England) Regulations 2005
- Education (Pupil Registration) (England) Regulations 2006
- Education (School Attendance Targets) (England) Regulations 2007
- Education (School Attendance Targets) (England) (Amendment) Regulations 2010
- Education (Pupil Registration) (England) (Amendment) Regulations 2010
- Education (Pupil Registration) (England) (Amendment) Regulations 2013
- Education (Penalty Notices) (England) (Amendment) Regulations 2013

The following documentation is also related to this policy:

- Advice on School Attendance (DfE)
- Improving Attendance at School (DfE)
- School attendance parental responsibility measures: Statutory guidance for local authorities, school leaders, school staff, governing bodies and the police (DfE)

We believe that children cannot learn if they are absent from school. Therefore, we aim to ensure that all our children take full advantage of the educational opportunities available to them and to raise standards by promoting regular attendance and punctuality of pupils.

We are committed to providing an education of the highest quality for all our pupils. We believe high attainment depends on good attendance.

We expect all school personnel to support and promote excellent school attendance by acting as role models and to work hard to provide a learning environment in which all pupils are eager to learn, feel valued and enjoy coming to school. School personnel have a responsibility for identifying trends in attendance and punctuality.

Sometimes a pupil's absence or lateness may not be their fault and in these circumstances it is our policy to be supportive of the child and not to make them feel guilty or inadequate. Also, at times we have to give allowances for religious beliefs and individual family circumstances.

ASSESS EDUCATION

We believe it is essential to regularly remind parents of the importance of good attendance and its links to pupil attainment. The Education Act 1996 clearly states that the prime responsibility of parents/carers is to ensure that their children attend school regularly.

We have a duty to monitor pupils' attendance through daily registration and will address all poor or irregular attendance by contacting and discussing the situation with parents.

We will inform the local authority of pupils who are regularly absent from school or have missed ten days or more without permission. The local authority must have in place 'robust procedures and policies' to enable them to meet their duty in relation to CME.

We have in place a Receptionist who is responsible for monitoring pupil attendance and will make contact with parents if the school has not been informed of their child's absence.

We have a duty to establish the whereabouts of all absent pupils. If contact cannot be made by phone with the child's parents/carers, a maximum of 3 attempts to both contact numbers, we will notify the Pastoral Manager who will refer this on to the LA/EWO.

For all pupils we have in place at least two emergency contact phone numbers for different adults associated with each pupil.

We believe truancy is a matter that we treat very seriously as we feel pupils are not only losing valuable learning time but they are putting themselves at serious risk as the school and their parents are not aware of their whereabouts.

We have a duty to ensure that all parents are aware of our 'legal powers to use parenting contracts, parenting orders or penalty notices to address poor attendance and behaviour in school.' Parents have a duty to ensure their children are well behaved and attend school regularly as 'good behaviour and attendance are essential to children's educational prospects'.

We are aware that 'parenting contracts, orders and penalty notices for irregular attendance apply only to pupils of compulsory school age who are registered at a school' but they can also be applied for misbehaviour by pupils outside compulsory school age such as sixth form pupils or pupils at a maintained nursery. While 'penalty notices for parents of pupils found in a public place during school hours after being excluded also apply only to children of compulsory school age who are registered at a school.'

We believe it is essential to have a strong working relationship with the Education Welfare Service which provides support for pupils and their families in order promote good pupil attendance and to reduce truancy.

We are aware that leave of absence can only be granted to a pupil only in exceptional circumstances and in authorising a holiday in term time we will take into account the child's attendance record, the child's age, the reason for the trip, the time in the academic year and the employment difficulties that parents face by taking holidays in school holiday time.

We will exercise a consistent approach and ensure equity for all pupils.

ASSESS EDUCATION

We aim to be judged at least good in all school inspections by ensuring that standards for all pupils are higher than schools of a similar size and that standards continue to improve faster than the national trend. We believe we will achieve this by having in place a home-school agreement that all parents have signed up to and by improving pupil attendance and truancy.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
