We have a statutory duty to ensure that, so far as reasonably practicable, the school premises are safe and that visitors to school come to no harm. We have in place school security systems to ensure the personal safety of the whole school community.

We require all visitors such as parents/carers, education officials, local authority officials, contractors and others to report to the main school office upon entering the school premises. They will be welcomed in a cordial confidential, efficient and purposeful manner. Visitors will be asked to state the purpose of their visit, and to confirm their status by producing verifiable documentation. Visitors will be asked to sign the visitor's book and will wear a visitors badge at all times. Visitors will be escorted throughout the duration of their visit and will not come into contact with pupils other than with a member of the school personnel.

We have a legal responsibility under the Management of Health and Safety at Work Regulations 1999 to ensure that all contractors when working on the premises act in a responsible and proper manner. They have a duty to ensure the health and safety of everyone in the school who may be affected by their work activities. Also, they have to cooperate with our health and safety policies and procedures.

Assess Education

We have a duty to safeguard children, young people and families from violent extremism. We are aware that there are extremists groups within our country who wish to radicalise vulnerable children and to involve them in terrorism or in activity in support of terrorism. Periodic risk assessments are undertaken to assess the risk of pupils being drawn into terrorism. School personnel must be aware of the increased risk of online radicalisation, and alert to changes in pupil's behaviour. Any concerns will be reported to the Designated Safeguarding Lead.

We are aware that under the 'Counter-Terrorism and Security Act 2015' we have the duty to have 'due regard to the need to prevent people from being drawn into terrorism'. This duty is known as the Prevent duty and we believe it is essential that school personnel are able to identify those who may be vulnerable to radicalisation or being influenced by extremist views, and then to know what to do when they are identified.

We have a duty to ensure that all visiting speakers invited by school personnel or by pupils will be risk assessed for their suitability and approved by the Headteacher before they attend. Prior to their visit we will establish the aims of their presentation and its content. Visiting speakers will be made aware of the school's Equality policy and that their presentation will be stopped if the content proves to be unsuitable or deviates from the agreed aims.

We acknowledge that freedom of expression is a fundamental right under both British and European law and is protected by Article 10 of the European Convention on Human Rights. We will ensure that visiting speakers are reminded that freedom of expression does not protect statements that unlawfully discriminate against or harass, or incite violence or hatred against other persons or groups. Therefore, all presentations by visiting speakers will be monitored to ensure that freedom of expression is within the law.

We will ensure that any unidentified person seen on the school site will be asked to identify themselves and the nature of their business. They will then be taken to the school office or asked to leave the school site.

In the event that the unidentified person refuses to comply or becomes aggressive then the situation will be reported to the school office and then directly to the Headteacher who will take the appropriate action.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.
